Welcome Back!

We hope that all of our families are healthy and safe. As we work together to prepare a successful virtual start for all of our children and families, we want to make you aware of some important information:

- **The first day of school is August 10th, 2020. The mandated Virtual School hours are 7:45 a.m.-2:30 p.m., Monday-Friday.**
- All students in grades 1-5 will need laptops to begin the school year. Using information provided by our teachers from last semester, we have prioritized students whom are most in need of the limited supply of laptops that are available. A school computer is not necessary to access Google Classroom. The schedule for the distribution of laptops and materials has been emailed to you. This information can also be provided by calling the school at 770.991.4651.
- Teachers will be reaching out and introducing themselves over the next week. Please check your emails, voicemails, and text messages for this information.
- Virtual Open House and Town Hall meetings will take place the week of August 3--7th. Virtual Town Hall Meetings will allow parents to meet your child's teacher
- Be reminded that Clayton County Public Schools is offering Online Registration only. For more information regarding 2020-2021 registration, please visit the CCPS website (www.clayton.k12.ga.us).
- Clayton County Public Schools has also implemented a Residency Verification process for all returning students returning CCPS students will be able to complete the residency verification process through the Parent Portal.
- All questions regarding this processes listed above should be submitted to studentregistration@clayton.k12.ga.us or jazzmon.parham@clayton.k12.ga.us or kenyarda.wesley@clayton.k12.ga.us You may also contact 770-994-4005 for additional information.
- While we will be somewhat flexible, attendance and work completion are required for all students. It is extremely important that you communicate with us regularly about anything that will keep your student from being engaged daily so we can offer support.
- Updates will be sent regularly through our school website, the "Remind" app, Infinite Campus and school messenger.
- Please download the "Remind" app to your digital device. You should use the following join code: @6kgkgd

We are looking forward to an awesome opening this year. Thank for your support!
